

## Product Information

NW Canvas is a range of white vinyl wallcovering with a non-woven/textile backing in a choice of different embossings and textures. It is very easy to apply, with just applying the glue on the wall and is very easy to remove, even dry.

After printing with (eco)solvent UV or Latex ink, NW Canvas is suitable for a whole range of applications, from a personalized mural for consumers or a tailor made and decorative wallcovering for hotels, offices or (healthcare) institutions, to a durable shop interior or creative set design

NW Canvas is a wall-covering solution with a non-woven/textile base for inkjet printing. This paper is ideal for situations where a stronger base material is required for easier removal.
